## Rolluda Architects

Rolluda Architects hired **Shanni Hanein** and **Nicole Gay** as project designers and **Grazyna Krewin** as a project architect. Hanein is working on an urban space master plan and a mosque. Gay studied architecture in Italy and previously worked for other architectural firms. She is working on industrial projects. Krewin is an architect with more than 16 years of experience, specializing in educational, commercial and industrial projects. Krewin is working on a school and a retail tenant improvement project. Previously, she worked for Mel Streeter Architects.
