Rolluda Architects

Rolluda Architects hired **Paul Dorn** as a senior project architect and manager, and **Tara Augustad** and **Maryam Alaeddini** as project designers. Dorn was formerly with Harthorne Hagen Architects. He specializes in K-12 educational, commercial and industrial projects. He is working on government, Boeing and K-12 projects. Augustad is working on higher education projects, including the WSU Multicultural Center. Alaeddini has worked on projects for architectural firms in Canada and the U.S. She has a background in housing, malls, office buildings, interior design and master planning, and is working on a park in Tacoma.
